SOCIETY IN LENT. It Shows the Effects of the

Penitent Season.

No Entertalmments of Any Magainude Given and But Few \*mall Parties-Fort Douglas Also Quiet-

I snuntared into a hair dressing establishment, senting myself by the door to await my turn in the long line of customers who make such an establishment a pay homnge to their pairon saint on the rendervous on Saturday afternoon, and in 17th of March, and this year will be no exthe course of time I was invited to come ception. forward by a tall, sagular, sallow scion of washed, whereupon the spinster hairdresser snapped forth, "Why didn't you
say so before, and I might have had the
water hot." I locked about me in a helploss aind of a way, but believed discretion
the better part of vaior, so did forego a reply. After the process of the shampoo,
which consisted of manipulating a substauer resembling uncongealed paste through the hair and smearing it upon cars, brow and any portion of my anatomy that it was possible to reach. She deluged me with milk-warm water from an old tin bucket, rubbed vigorously the ends of hair without ever ence touching the scalp, dried it, and then produced a palm leaf fan, seated bereelf behind me and in a luxuriously easy way, as if aceping the flies off in summer, attempted to facilitate the drying process by this bit of invention. After a haif-bour of this breezy performance, she pointed to another chair

some very good hits were made. The hall could stand, and I took my leave at once. How many ladies are marrayrs to the hair dressing autocraft.
